Football Match

On Thursday 29th January our Year 5/6 Football team visited Hobletts Primary School to play against them in their first football match of the year. They started off strong with a 2-0 lead but kept everyone on their seats by conceding changing the score to 3-1. We thought we might be in trouble when the score turned to 3-2 to Hobletts but our boys kept their heads up and just kept going. They kept getting goal after goal with the following scores; 4-2, 5-2, 6-2 and eventually ended the game on an incredible victorious 7-2 WIN! Goals scored by Alfie (Year 6), Shalom (Year 6), Charlie (Year 5) and Vinnie (Year 5). What an incredible start to the tournament for these brilliant boys! Congratulations!

Feeling Good Week

Next week is Feeling Good Week at our school. For some of you, this will be the first time your child has participated in this fun-filled week aimed at maximising our children's mental health and well-being.

A large number of unique activities are arranged for the children throughout the week, some of these include: Glo Dodgeball, Cheerleading, Silent Disco, Electric Umbrella, Skipping Ninja and many more.

The Skipping Ninja will have a shop at the end of the day on Friday where the children can purchase merchandise.

The children are welcome to wear non-school uniform for the week. They, will be very active and possibly a little bit 'dirty' so please consider this when deciding on what to wear.

I wanted to take a moment to reflect on something incredibly important to our school: relationships and respect. At the heart of our school community are the connections we build - between children, between peers, and between children and adults.

We are committed to fostering an environment of mutual respect. This means being mindful of how we communicate and interact with one another. Our words matter deeply. Whether it's comments between children, interactions with teachers, or conversations within our broader school community, we must always consider whether our communication is helpful or potentially harmful. We will always hold derogatory and harmful comments about the school or school staff to account.

Working as a team is fundamental to our school's success. We believe that every interaction is an opportunity to demonstrate respect, understanding, and support for one another. This approach helps create a positive, nurturing environment where everyone feels valued and heard.

If you have any do have any concerns, feedback, or simply wish to discuss something, I offer a Headteacher's forum every Thursday afternoon from 1pm to 4pm; please book an appointment via the school office. This is a dedicated time where parents and community members can connect with me directly.

We are incredibly grateful for the positive feedback we consistently receive. Your supportive comments are not just appreciated but are always shared with our dedicated team, reinforcing the collaborative spirit that makes our school so special.

Thank you for your continued support and commitment to our school community.

Warmest regards,

G Dalton
